18 th FIAP World Cup for Clubs 2023

I had the honour and pleasure of organising the 18th FIAP World Cup for Clubs, the judging of which took place online from December 15th to 17th, 2023.

The esteemed judges for the event were Mrs. Agatha Anne BUNANTA, EFIAP/p (Indonesia), Mr. Gurdas DUA, Sony Alpha Brand Ambassador (India), and Mr. Ross McKELVEY, EFIAP/p, MFIAP (United Kingdom). They executed their roles with great professionalism and dedication. I would like to take this opportunity to express my heartfelt gratitude to them for their invaluable and fundamental contribution to the success of the 2023 FIAP World Cup for Clubs.

This edition of the FIAP World Cup for Clubs was a remarkable success in terms of participation and was truly unprecedented. In fact, 226 clubs participated, a number even higher than in the previous edition, marking yet another record in the history of the FIAP World Cup for Clubs, surpassing the previous 17 years, from 2006 to 2022. This new record confirms the trend of a continued increase in participation each year.

In the 18th FIAP World Cup for Clubs 2023, a total of 4,486 photos from 45 countries were judged. The top-ranked club, and thus the winner of the World Cup, was New World (Russian Federation). The winner of the Maurice Dorikens Trophy, awarded for achieving the best results in the past five consecutive FIAP World Cups (from 2019 to 2023), was Wigan 10 Foto Club (United Kingdom).

As happened last year, in the 17th FIAP World Cup for Clubs, clubs from outside Europe, and specifically from Taiwan and South Africa, achieved a Top 10 ranking in the 18th World Cup competition. In the same way, four of the winning photographers of the individual awards also belong to clubs located outside of Europe, these being from Canada, South Africa, India and Taiwan. This confirms the ongoing trend of a steady increase in the participation of non-European clubs in this important photo competition. Moreover, these clubs are more frequently reaching the top positions in the rankings and their affiliated authors are increasingly winning the prestigious individual prizes offered by this competition. This progression clearly indicates that, year after year, the event is gaining greater recognition and appreciation worldwide.

On the other hand, it is disappointing that the number of ILFIAP clubs participating in the FIAP World Cup for Clubs is still quite low, an odd fact given that participation is completely free for ILFIAP Clubs who have paid their annual membership fee. I believe it is important to advertise this event even more, especially among the ILFIAP Clubs, to increase the number of participants and ensure the best possible representation of all countries across the globe. I would like to take this opportunity to extend my heartfelt congratulations to all the photo clubs and participating authors, especially those who received awards. Their contributions serve as a splendid showcase of the immense photographic talent that exists within the numerous countries that took part in this important photo contest.

I am also deeply grateful to all the members of the FIAP Board of Directors, as well as to FIAP President Riccardo Busi, for their unwavering trust in me to oversee this significant event. I am committed to continually improving the recognition and appreciation of this event on a global scale with each passing year.

Last but certainly not least, I want to express my sincere gratitude to Fausto Meini, the FIAP World Cup for Clubs Assistant, for his invaluable support and assistance in organizing this important event.
